P & C Levy

Dear parents,

It was decided at the Feb 2010 P & C meeting to introduce an annual P & C levy. Our school has 3 major projects planned – the building of a new Resource Centre, the building of a new Hall, and air-conditioning in the classrooms. Each of these projects will require P & C funds. There will be many new resources and equipment required for both the resource centre and the hall. The air-conditioning project is to be funded solely by the P & C.

The P & C levy for this year has been set at \$50 per child. All contributions received through this levy this year will be spent on the resource centre, hall or air-conditioning projects – all very worthwhile projects.

Please complete the form below and return it to the P & C shop (open 8.15am – 9.15am Monday, Wednesday, Friday). We appreciate your support to help us make a difference in our children's education. Please contribute willingly knowing that your children will enjoy the benefits of these resources.
